## Recipe for "Authentic Country Music"

- Veteran Rhythm Section
- Pure and Honest Vocal's
- Real Telecaster Guitars
- Pedal Steel Guitar
- Smokin' Hot Fiddle
- Authentic Country Piano

First, age each ingredient until perfectly seasoned. Next, combine instruments in equal yet opposing parts until "music" is heard at a level pleasing to the ear. Finally, mix in vocals in 2 or 3 part increments (harmony) and ensure they can be "tasted" above all other ingredients.

Live demonstrations coming soon to a town near you!
